

1 Calcule les sommes.

2 centaines + 4 dizaines + 3 unités,
ça fait 243 !

$$200 + 40 + 3 = 243$$

$$600 + 10 + 8 = 618$$

$$50 + 6 + 100 = 156$$

$$4 + 90 + 500 = 594$$

2 Calcule les sommes.

$$500 + 48 = 548$$

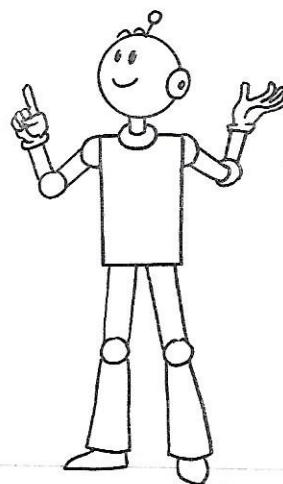

$$800 + 68 = 868$$

$$308 + 50 = 358$$

$$400 + 59 = 459$$

$$70 + 402 = 472$$

$$70 + 310 = 380$$

3 Calcule les sommes et colorie les étiquettes selon le code couleur.
